

Consultant Subject Teacher

Are you:

- A qualified teacher of Spanish, German, Science (Biology, Chemistry, Physics), Business or IT? (Practising and former teachers welcome)
- Experienced teaching at secondary school level?
- Fluent in English?
- Educated to degree level or equivalent?
- Interested in international education, curriculum and assessment?

...then we would like to hear from you.

Who we are and what we do:

Ecctis delivers a wide range of services, products and projects in the field of international education. We help make sense of international qualifications and support a range of clients including individuals, universities and colleges, awarding bodies and government ministries.

This includes undertaking a range of in-depth curriculum and/or assessment mapping projects across different education systems.

Ecctis Ltd is committed to fostering a culture of inclusivity and connectedness. The core of our work involves working internationally with individuals all over the globe with different backgrounds. In recruiting for our organisation, Ecctis Ltd is an Equal Opportunities Employer, and welcomes the unique contributions you can bring; therefore, we specifically welcome applicants of all backgrounds, regardless of race (including colour, nationality, and ethnic or national origin), sex or gender, gender reassignment, sexual orientation, religion or belief, age, marriage or civil partnership, pregnancy and maternity, or disability.

The role:

We are currently looking for qualified teachers to conduct curriculum and assessment analysis for a number of secondary qualifications across different education systems.

This will involve reviewing, analysing and comparing extracts of curriculum documentation in your specialist subject area (Spanish, German, Business, IT or Sciences – Biology, Chemistry, Physics) from different education systems, drawing key findings and recommendations.

The work will be remunerated and conducted remotely.

To apply: Email a copy of your CV and a covering email to: consultant@ecctis.com, sharing your availability between November 2022 and January 2023.

More widely, we are always looking for subject experts holding a degree and qualified teacher status in any country, especially those with teaching experience in two or more countries or towards different upper secondary qualifications. If your field of expertise is not mentioned above but you would like to be considered for similar roles in the future, please submit your CV, highlighting your primary field(s) of expertise and availability for consultancy work over the next six months.
