

Royal Mail Update

Due to Industrial Action by Royal Mail (the UK mail service), some of our upcoming deliveries are likely to be disrupted or delayed.

This will impact the below dates:

Tuesday 25th October 2022
Saturday 12th November 2022
Thursday 24th November 2022
Friday 25th November 2022
Wednesday 30th November 2022
Thursday 1st December 2022
Friday 9th December 2022
Sunday 11th December 2022
Wednesday 14th December 2022
Thursday 15th December 2022
Friday 23rd December 2022
Saturday 24th December 2022

If your application is due to be completed on or around one of these dates, then then the delivery timeframe may be affected.

If you have deadlines, we strongly recommend you select our **e-Statement delivery** option (£7.50 + VAT) as this will be available to download from your online portal once your application is complete and **will not** be impacted by the above Industrial Action.

Courier Service delivery will also not be affected.

UK Royal Mail Special Delivery timeframes will likely not be guaranteed to be delivered on the next working day.

UK First Class and UK Recorded Delivery are normally delivered within 1-3 working days so this may take longer due to the above action.

International Signed For delivery may be delayed leaving the UK and are subject to local and international postal delivery timings.

Please note, our offices will continue to be fully operational, as per our normal business hours, and this will only impact deliveries on or around these dates.

Unfortunately, these measures are beyond our control, and we will dispatch your documents as soon as possible.
