

Royal Mail Update

Due to Industrial Action by Royal Mail (the UK mail service), some of our upcoming deliveries are likely to be disrupted or delayed.

This will impact the below dates:

Friday 26th August 2022
Wednesday 31st August 2022
Thursday 8th September 2022
Friday 9th September 2022
Friday 30th September 2022
Saturday 1st October 2022

If your application is due to be completed on or around this date, then the delivery timeframe may be affected.

If your application is due to be completed on one of the above dates, then it will be dispatched by Royal Mail on the next available working date.

On these days Royal Mail have advised that they will not be delivering letters (with the exception of UK Royal Mail Special Delivery).

UK First Class and UK Recorded Delivery are normally delivered within 1-3 working days so this may take longer due to the above action.

International Signed For delivery may be delayed leaving the UK and are subject to local and international postal delivery timings.

Courier Service delivery will not be affected.

If you have deadlines, we recommend you select our e-Statement delivery options (£7.50 + VAT) as this will be available to download from your online portal once your application is complete.

Please note, our offices will continue to be fully operational, as per our normal business hours, and this will only impact deliveries on or around these dates.

Unfortunately, these measures are beyond our control, and we will dispatch your documents as soon as possible.
